I've attached the updated huddle paper. One area I was lacking is the specific questions FDEP requested answers to on our call yesterday. I know there were questions regarding 233.11 part b, c, and g but my notes weren't sufficient to properly articulate the specifics of their request. If someone could summarize those I believe the paper is complete.

Tom,

I've attached an updated huddle paper. I believe you and Kavita discussed updating the enforcement call info, so that part hasn't been edited.
